BARRIE ALLANDALE TRANSIT TERMINAL

TV display guide

Looking out from the customer service desk: left to right.

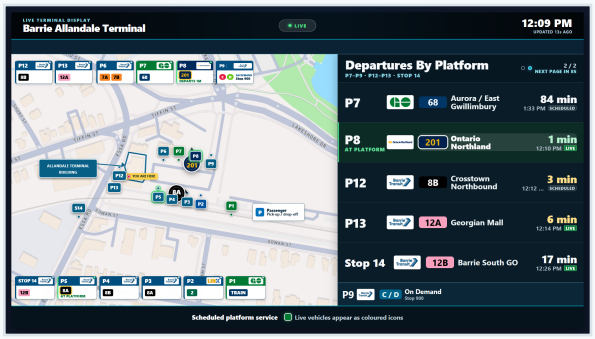

1 Platform map > 2 Next bus > 3 Live map > 4 Service notices

TV 1 - Platform map

FAR LEFT | OUR DISPLAY

Shows platform locations, assigned routes, live vehicles at the terminal and departures by platform. Helps passengers find where to board.

https://bus-tracker-map.vercel.app/platform.map

TV 2 - Next-bus display

SECOND FROM LEFT | CITY DISPLAY - EXTERNAL

A departure table showing routes, destinations, time until departure and platform or stop numbers. The City's existing display, not one of our pages.

https://sites.barrie.ca/departures/Allandaleindoor.aspx

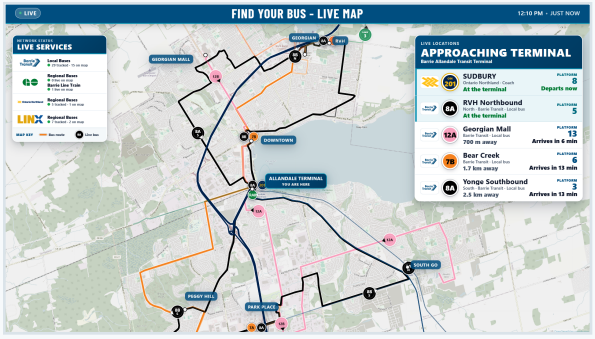

TV 3 - Live bus map

THIRD FROM LEFT | OUR DISPLAY

Shows routes and the latest reported vehicle locations around Barrie, including buses approaching Allandale Terminal. Helps passengers locate their bus.

https://bus-tracker-map.vercel.app/

TV 4 - Service notices

FAR RIGHT | OUR DISPLAY

Automatically cycles through Barrie Transit service notices, including detours, stop closures and other updates. Shows the current notice and what is next.
